

SWISS RIFLE CLUB

STGW 57 PEEP SIGHT ADJUSTMENT

If the shot is to the right...

...adjust the sight "bei Rechts"

If the shot is to the left...

...adjust the sight "bei Links"

If the shot is high...

...adjust the sight "bei Hoch"

If the shot is low...

...adjust the sight "bei Tief"

Take note that each 'click' of adjustment on the sight is equal to approximately 1 inch of adjustment on the target. The black circle of the target is 60 cm across. If you're adjusting from a 5 left, you need to adjust "bei Links" by 10 to 11 clicks.
